Periodically please update the contact information for all your company representatives to ensure delivery of NUCA information.

Classification of Membership as set forth in the NUCA PA By-Laws:

- a) *Associate Member - any person, firm or corporation who or which is involved in the utility construction industry as a supplier of equipment, materials and or services to contractors.
- b) **Affiliate - Any person, firm, corporation or school or governmental entity not eligible to be a Contractor Member and/or an Associate member and has a professional interest in the utility industry. An Affiliate member has no voting rights and will be on the general mailing list. This classification is intended to allow the Affiliate member to relate to this association on a social level.
